

Your Pre-Remodel Checklist

Use this before your project starts to make sure nothing falls through the cracks.

Timeline & Planning

- ☐ All material orders placed, with confirmed delivery dates
- ☐ Every material and finish selection finalized, with no open decisions
- ☐ Permits confirmed (either pulled or in process)
- ☐ Contractor start date confirmed in writing
- ☐ Personal calendar cleared of conflicts during the critical first weeks

Space Preparation

- ☐ Renovation zone cleared of furniture, rugs, and decor
- ☐ Dust containment plan confirmed with contractor
- ☐ Adjacent rooms protected
- ☐ Access path to work zone cleared
- ☐ Staging area for contractor materials designated

Household Logistics

- ☐ Temporary kitchen setup in place if applicable
- ☐ Alternative bathroom arrangements confirmed if applicable
- ☐ Pets: plan confirmed, crew notified
- ☐ Kids: household conversation completed about what to expect
- ☐ Work-from-home schedule adjusted for heavy construction days

Communication & Partners

- ☐ Pre-construction walkthrough scheduled with contractor
- ☐ Communication preferences and schedule agreed on
- ☐ Escalation path identified so you know who to call if issues arise
- ☐ Designer or showroom partner looped in on final timeline
